C. Board Duties. The Board shall be responsible for all of the affairs of the Association and shall undertake business activities including, but not limited to, the following:

1. Enforcing the provisions of this **Declaration**, the Guidelines, the **Articles**, and the Bylaws, seeking enforcement **and/or** remedy at any court of law **as** reasonably necessary;

special assessment, or any maintenance assessment levied according to **procedures** contained in this Declaration. mistake in judgment, negligence, or **nonfeasance** arising out of the exercise of their rights, or performance of their duties called for under this Declaration, and every owner of such property agrees that he will not bring any action or suit against **Declarant**, the Board, or officers of the Association to recover any such damages.

G. Association Membership. Each owner of a Lot shall be a member of the Association. That membership may not be separated from ownership or conveyed independently of the Lot to which it is appurtenant. Owners of more than one Lot shall have a separate membership for each Lot owned.

H. Voting. Each owner of a Lot is entitled to one vote for each Lot. If there is more than one owner for an individual Lot, only one membership exists, with only one vote for each Lot. In the event of a dispute among owners of a Lot as to how the votes for that Lot are to be cast, the Board at its discretion may cause the vote to be cancelled until the owners resolve their dispute. If one owner owns more than one Lot and combines them into a single parcel for a particular purpose, one membership for each Lot owned shall be allowed. If any **Lot** is legally subdivided, each newly created **parcel** shall be **considered** a fractional portion of the original **Lot**, **subject** to this Declaration and subject to assessments as provided below. Assessment Exempt Lots shall not be entitled to vote.

I. Classes. There shall be two **classes** of votes:

1. **Class "A" Votes.** Owners of one or more Lots shall have the right to one vote for **each Lot** owned.

2. Class "B" Votes. **Declarant** shall have three votes for each **Lot** it owns in **FireRock Ridge**. The Class "**B**" votes shall terminate (a) when **Declarant** no longer owns property in **FireRock Ridge**, (b) on December 31,2008, or (c) when **Declarant** relinquishes its Class "**B**" votes, **whichever first** occurs. At that time, **Declarant** shall have the right to one **Class "A"** vote for each **Lot** it owns in **FireRock Ridge**. On the date the **Class "B"** votes **terminate**, if full-time employees of **Declarant** constitute a majority of members of the Board, **Declarant** shall cause one or more of such members to resign so that the remaining percentage of members who are employees of the **Declarant** do not constitute a majority.

SECTION V. Liens and Assessments.

A. Creation. There is hereby created a lien in favor of the Association against each Lot in **FireRock Ridge** in the amount of all regular, special and maintenance assessments as described below. Such liens shall be subordinate to **all** first mortgage liens or deeds of trust, and to liens for taxes and other public **charges** which by law are expressly made superior. All Liens recorded prior to the date of **recording** of this **Declaration** shall also **be** superior to the lien created herein in favor of the Association, **unless specifically** subordinated of record by the holders of that lien.

B. Assessments. There shall be three **types** of assessments:

1. Regular Assessments. This assessment shall be made yearly, based on the annual operating budget of the **Association** and adequate **allowance** for reserve **as determined** by the Board of **Directors**. The assessment for each **Lot** shall be

made by dividing the total amount of the budget and reserve charges by the total number of Lots in FireRock Ridge, less the number of Assessment Exempt Lots; each Lot owner shall pay the resulting amount.

a. Initial Regular Assessment. The first regular assessment shall be levied beginning the first day of the first month after the recordation of this Declaration. This assessment shall be based on the anticipated cost of operating the Association as though all Lots had been sold, all planned improvements in place, planned landscaping installed, all signs and monuments in place, and including all expected recurring expenditures, with the actual cost of liability insurance included. Each owner of a Lot shall be liable to pay the assessed amount; however, the Declarant shall not be responsible for the payment of the assessment on, unsold Lots owned by it if it elects instead to pay the difference between the actual operating costs of the Association and the amount of assessments levied against all Lots not owned by Declarant. This procedure shall continue as long as there are Class "B" votes, but when the conditions of Section II (I)(2) are met, the Declarant shall pay only for assessments on each Lot which it then owns.

b. Proration and Increase of Regular Assessment. The initial regular assessment shall not exceed \$150.00 per year for each Lot owned, and will be payable annually in advance. If the initial assessment period is less than a full year, the assessment shall be prorated. The regular assess-

ment may be increased on **January** 1 of each **year** by an amount no greater than the **higher** of (a) five percent over the previous year, or (b) the percentage increase in the Consumer Price Index between September of the previous **year** and September of the year before that, unless a larger increase is approved by a vote of 51 % or more of both **classes** of votes. The "Consumer Price Index" shall **mean** the "Consumer **Price** Index for Wage **Earners** and **Clerical** Workers, 1982-84 equals 100" or, if no longer in effect, the most nearly comparable U.S. Government index. After December 31, 1993, the Association may, from time to **time**, change assessment payment periods to be **quarterly**, monthly, **annually**, or otherwise, **as** the Association determines is appropriate. The **Board** may determine the **initial** and subsequent regular assessments in accordance with this paragraph, but at its discretion, as long as there are **Class** "B" votes, the Board may waive any portion of the assessment on an equal basis for each assessment unit, to adjust for reduced expenses resulting from partial development. If a waiver is **given** for any **portion** of **the** assessment, it shall be effective **throughout** the **remainder** of the **assessment** year in which it is **given**. The **Board** may then revert to a full assessment for the next and subsequent **years**, at its option.

2. Special Assessments. Special assessments for capital improvements (new or replacement), for **unplanned** expenses of **normal** operations, or for other **reasons** **determined** by the Board, may be levied, provided that those assessments are

approved by a majority of eligible votes in each class of votes, either by a vote at a meeting called for that purpose, or by written consents by members of the Association. When a special assessment is approved, each Lot owner will be assessed a **pro-rata** share of the total **amount** according to the number of assessment units assigned to his Lot.

3. Maintenance Assessments. Each Lot owner shall keep his Lot **clean** and free of excessive **weed** growth, and **shall** keep all improvements thereon in good repair. Each Lot owner also shall keep his Lot free of nuisances as described by Board rules or by this **Declaration**. The Board may adopt rules declaring existing activities to be a nuisance, and may **thereafter** require the cessation of such activities. Any Lot owner having proper notice from the Board or its designated agent may be required to clean the Lot, *repair* the improvements, or remove any nuisances. If, after proper notice, such action is not taken by a Lot owner, the Board may enter upon the property or **allow** employees or contractors to enter upon the Lot to clean, *repair* or remove the nuisance. The owner of the Lot **shall** pay all costs of such action, and such amount shall constitute a **maintenance lien** against the subject Lot. If the maintenance lien is not paid **within** 30 days after being **billed**, the amount of **the maintenance** lien shall be **recorded** with the **Maricopa** County Recorder as a lien against the Lot.

C. Assessment Collection. After **reasonable** efforts to collect past due assessments, the **Board** may **take** appropriate **legal action, including**, but not **limited** to, **foreclosure** of **its** e n The owner of the Lot upon which the **delinquent** assessments are **levied** shall reim-

burse the Association for the full principal amount and reasonable legal and administrative costs, including court costs. All assessments past due by 30 days or more shall incur reasonable handling fees, plus an interest charge equal to 12% per annum.

SECTION VI. Common Areas and Improvements

Portions of other plats may later be conveyed to the Association in a similar manner, and shall also be known as FireRock Ridge Common Area.

B. Improvements.

1. The Declarant may, but shall not be obligated to, install certain drainage facilities within FireRock Ridge. The Declarant may, but shall not be obligated to, enhance the aesthetic appearance of FireRock Ridge by creating parks, installing landscaping and Lighting along certain public rights of way and medians and in certain easements, and providing signs or monuments to identify streets, special features, and the like. Furthermore, the Declarant may retain certain

easements, use public utility easements, and use **drainage** easements for future installation of other facilities, which, when installed, shall be **maintained** by the Association.

2. The Association may also install improvements in the **Common Area** or easements on Lots, consistent with those installed by the **Declarant**. The **As-**sociation shall prevent any Lot owner from removing or altering any such improvements (whether installed by the **Declarant** or by the Association) where such items have been installed on easements reserved for that purpose. Costs to the Association of such installation and/or prevention shall be included as part of the assessments set forth in Section VI.B. above, with the **Board determining** whether the cost is a regular assessment or a special assessment.

C. **Maintenance**. The Association shall be responsible for the maintenance, repair and replacement of the **Common Area** and the improvements described above, and may, without any **approval** by the Lot owners, do **any** of the following:

1. **Reconstruct**, repair, replace, remove, maintain or **refinish** any **improvement** or **portion** thereof **upon** any such **area** (to the extent that such work is not done by a **governmental** entity, if **any**, responsible for the **maintenance** and upkeep of such **area**);

6. Do **all** such other and further acts which the Board deems necessary to preserve and protect the Common **Area** and the beauty thereof, in accordance with the general **purposes** specified in this **Declaration**.

The Board shall be the sole judge **as** to the appropriate maintenance of the Common **Area**. The cost of the **maintenance activity required** by this paragraph, **together** with **all** other **related** expenses shall be included as **part** of the **regular assessment set** forth above.
